# OPPOSED TO A FACTORY CITY

In a report of Sealer of Weights and Measures W. C. Haskell, submitted to Art Club Thinks Capital Should Have Few Industries.

> Matter Up for the Consideration of Congress at Next Session.

Opposition to the "Greater Washington" project on the ground that it will tend to make of the Capital a manufacturing city, thus destroying its architectural beauty, has received the indorsement of the Columbia Heights Art Club.

to check the tide of sentiment that threatnake it a manufacturing city. "The United States is full of such cities, where the beautiful buildings are black with smoke from belching chim-

neys and the hum of industry is never "We are glad to be a nation of such enterprise, strength, and energy, but let us make our Capital City in its municipal life express the purposes, hopes, and ideals of our nation."

Mrs. Andrews said the question of taking active steps in opposition to the Greater Washington movement at the coming session of Congress was under consideration by the club.

DIED. BAAR-Peacefully, early morning, Saturday, November 10, 1996, LEWIS BAAR, at his residence, 1996 H street northwest, in the seventy-sixth
